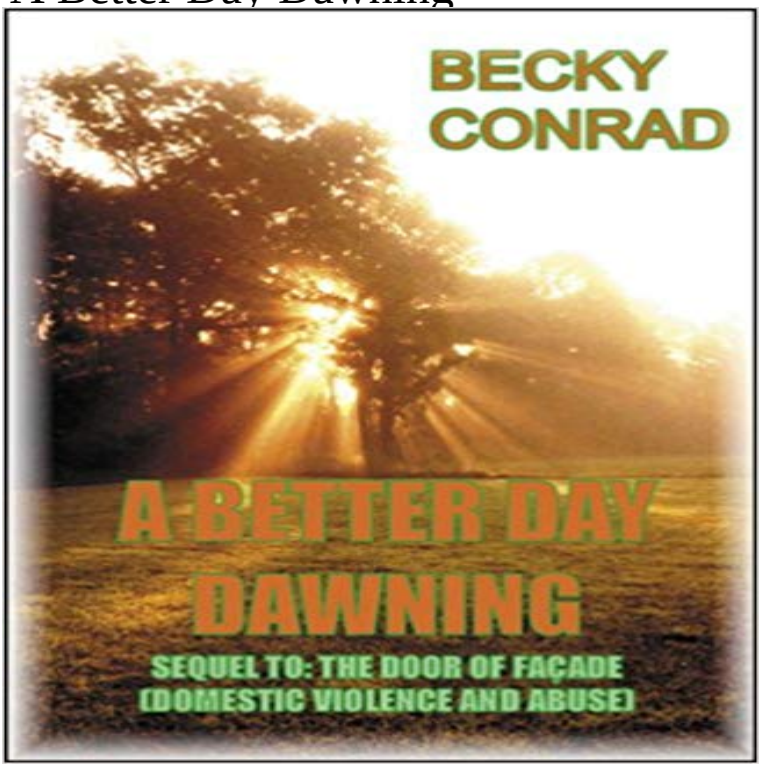
A Better Day Dawning



The long-awaited sequel to THE DOOR OF FACADE - by Becky Conrad: Out of the abyss of darkness, abuse, and violence, Becky Ford stumbles and falls on the hard road of life. Her will to survive and self-determination pulls at her innermost being to reach the faint glimmer of Light and a renewal in faith. Can anyone repair her torn and tattered soul? Will she ever give forgiveness to her mother; feel forgiveness for giving away her daughter? Or, will the new road of life she travels be rewarding and fulfilling or filled with just more heartbreak and deception?
