

## Gunplay Valley (The Sweet and Bitter Land)

Im a fighting man, Strang... bullets are my suit. All I see around here is land, too much land for one man. I aim to fix it so these settlers can get whats coming to them. When Matt Strang, big, powerful, and courageous, bought up Sage Valley for a cattle grazing area, he didnt care about a shirt-tail settler named Poe. Bitter, resentful, thirsting for revenge and seething with hatred for any man who thought he was boss, Poe was treated with contempt by Strang, until a lifetime of venom burst into flame. Then the fight for Sage Valley was on!
