

A Shot of Espresso in a Decaf World: The story of a WWII nurse and her life

U.S. Army Captain Nell Weisbach (Retired) served her country with pride for the duration of World War II, plus six months, and came home to a distinguished medical career lasting half a century. She was awarded a Bronze Star Medal, and other medals, for her service as an Army Nurse. Born in Merkel, Texas in 1919, Nell is a remarkable woman who has seen nearly a century of life, love, war, sacrifice, healing, travel, humor and, most importantly, the strength of family. This story of captured memories reflects back on that life with humor, humility and wit. As Nell says, Sadness and happiness come to both rich and poor. Bad luck and good luck does the same. The thing that counts is how you handle it.
