

Adventures in Learning to Trust God

The adventures of Joy Boese in learning to trust God began at an early age. She found God could be trusted to heal both physical and emotional needs. Whether college finances, specific wearing apparel, a patients undiagnosed illness, a malfunctioning car or a custard recipe God had an answer. Through countless dangers on highways or in cities, a tornado, a broken bridge or a harrowing bus ride, Gods angels protected her. She gives insight into Thai culture as well as life as a missionaries child through adulthood. The book is written as a tribute to faithful prayer supporters of over 50 years.
