

## Flesh: Part Six: The Flesh Series

Fleshfest is a festival of all things kink related. Amy takes Lucian up on his invitation to attend and finds herself completely out of her element. She wanted to get a glimpse into his world, but what she sees makes her unsure of whether she wants anything more to do with Lucian or his dominating lifestyle. This is the sixth installment in an episodic series. Each installment can be heard in less than an hour - perfect for when you're waiting at appointments or have a few extra minutes to spare.
