

My Bride: love, escapade and tragedy

It begins with love at first sight. Since then their romance develops to an extreme when her parents interfere and bar their marriage for the fervently-believed cultural differences. Against the parents will they struggle so long, seeking out various strategies to make their dream come true. After battling along distressfully, finally they end up marrying in a different part of the world. Later, realizing their happy existence away from them, accepting as a great son-in-law, her parents invite the new couple to live with them under the same roof. The acceptance of her parents invitation becomes the beginning of shattering their happy marriage.
