

## FROM THE HOG PEN TO THE PULPIT

Long before I ever developed an intimate relationship with God, he spoke to me about his love and His desire to see me come out of darkness by acknowledging the problems with my life style choices. Before I ever read about His love in Scripture, God spoke words to me internally. It was His love that allowed me to develop a spiritual foundation and union with Him. Embracing His unselfish love, my unworthy soul was able to confront an irresponsible and destructive path influenced by the power of drug use and sexual sin that distorted my vision and direction. During my storm, he made it clear to me that His love for me would never cease as there was nothing that He wouldnt do for me. He assured me that He would always be with me, never turning back on His words. When I was sick, He healed me. When I continued to make wrong decisions by placing myself in situations that I had no business in, he got me out of them. In times of virtual hell with the devil laying in both arms, an unchanging, forgiving god stayed right with me. As I began my metamorphosis, developing a purely spiritual relationship I always remembered His Words, Ill never leave you nor forsake you. Over my years of temporary fulfillment from within a variety of sinful acts, I know the only way I got out of those situations was by the grace of God.
