

## Blood for St Valentine: A New Gothic novel

A New Gothic thriller in the tradition of Twilight, loosely based on true crime stories - heroine Chloe Medina researches the Valentine killer who terrorises the female students of Melbourne University, leaving a vial of blood around each victim's neck, and a message of Gothic poetry behind at the scene. Her search to discover the killer's hidden identity leads her into a sinister underground world of internet crime, secret societies, blood cults, and witchcraft.
