

## Robert B. Parkers Wonderland (A Spenser Novel)

Old friends. Small favors. Bitter rivals. Stirred together, it all makes for one explosive cocktail. Spenser can feel the heat stretching from Boston to Vegas--and people are about to get burned. Henry Cimoli and Spenser have been friends for years, yet the old boxing trainer has never asked the private eye for a favor. Until now. A developer is trying to buy up Henrys condo on Revere Beach--with a push from local thugs. Soon Spenser and his apprentice, Zebulon Sixkill, are on the trail of a mysterious woman, a megalomaniacal Las Vegas kingpin, and a shady plan to turn a chunk of land north of Boston into a sprawling casino. As alliances shift and twisted dreams surface, the Boston political machine looks to end Spensers investigation one way or another--and once and for all. Atkins...has managed to nudge this venerable series in a new direction while staying true to its core, seemingly channeling its creator at every turn. Its a magnificent accomplishment that is not to be missed. --Bookreporter.com
