

The Art of the Impossible: Politics As Morality in Practice Speeches and Writings, 1990-1996

Czech President Vaclav Havel gives new meaning to the word politics in this paperback collection. Like his American predecessor Thomas Jefferson, Vaclav Havel is a politician with the soul of a writer and a writer with the savvy of a politician. . . . Havels speeches have the power to sustain hope and inspire action even when the prospects of success seem dim. . . .--George Stephanopoulos, LOS ANGELES TIMES BOOK REVIEW.
