

Fact or Fiction

Kat and Lannie started with a basic online course in private investigation while Kat wrote her novel. Their desire was to bring closure to people who suffered the disappearance of loved ones. Naive intention soon draws them inextricably into a world of crime and punishment. Their determination to succeed is unwavering, their perception acute, their ability to achieve, the product of lifetime experience, all dedicated to one single goal: to solve the unsolved. The novel's two main characters bring warmth and a humorous edge to this fast-paced and intriguing novel.
