

Writing Harold and Greta (The Hallie Whirmser Stories Book 3)

Story #3. Central Academy is a fancy charter magnet school from 6th grade to high school. Most of my friends go there so I want to also. Someone showed the Assistant Principal of Central Academy my other story The Girl Who Could Not Read. Mrs. Himmelfarb said maybe I could get in CA for two regular classes and state credit. But first she made me write a fiction story over the summer to stimulate my so-called imagination. While I was slaving away on this, my father almost lost his job as a surgeon at the VA, my Grandpa Ollie moved in after Hurricane Willie drowned New Jersey, my soccer coaches got involved in a romantic scandal, my dog Bozo almost got rabies, and my brother got arrested for protesting against oil! So Part One of this story tells about these strange events and all the nervous breakdowns they gave me. Part Two is the story I was forced to write by Mrs. Himmelfarb in the middle of these dreadful problems, in other words Harold and Greta.
