

La Paz Perpetua (Spanish Edition)

Titulo:La Paz Perpetua Autor:Immanuel Kant Fecha de publicacion: 1795
Sinopsis: Es una obra política escrita por Immanuel Kant en 1795. Como se intuye por el titulo (tambien traducible por Para la paz perpetua), el objetivo de este tratado es encontrar una estructura mundial y una perspectiva de gobierno para cada uno de los estados en particular que favorezca la paz. El proyecto kantiano es un proyecto juridico y no etico: Kant no espera que los hombres puedan volverse mas buenos, sino que cree posible construir un orden juridico tal, que coloque la guerra como algo ilegal, como ocurre dentro de los estados federales. La obra se compone de 6 articulos preliminares y 3 articulos definitivos y 2 suplementos alrededor de los cuales se desarrolla la reflexion.
