

## Lazarus Rising

Revised and updated version of the bestselling political biography of 2010. This edition contains some completely new content from Mr Howard, including his thoughts on the 2013 election campaigns. John Howards autobiography, Lazarus Rising, is the biggest-selling political memoir Australia has seen. In it he talks about his love for his family, his rollercoaster ride to the Lodge and how - as prime minister - he managed a strongly growing Australian economy and led Australias war on terrorism. Drawing on his deep interest in history, he paints a fascinating picture of a changing Australia. In this edition, fully updated to take into account the return of the Liberal National Party to government after the 2013 election, Howard analyses the crucial years between the 2010 election which gave rise to the minority government of Julia Gillard, and the consequent unprecedented and destabilising leadership struggles within the Labor party. He discusses the significance of tony Abbotts achievements in defeating the Labor Government in 2013, and provides a masterful summary of legacy of the Rudd/Gillard years for Australia. Lazarus Rising is essential reading for all followers of politics. PRAISE FOR LAZARUS RISING: John Howard has written a magisterial autobiography, compulsively readable in its way the Weekend Australian Underneath Howards plain political style lies an excellent communicator. His capacity to express his thoughts clearly, calmly and simply shines through Sydney Morning Herald
