

Mister Dynamit 540: Bluff im Atlantik (German Edition)

Im Orkan sinkt ein kubanisches Schiff mit 200 Tonnen Gold, und in Griechenland wird der amerikanische Sonderbotschafter entführt. Die US-Navy will das Gold heben, und für die Befreiung des Botschafters sind fünf Millionen Dollar ausgesetzt. Auf der Suche nach ihm erkennt MISTER DYNAMIT in den wilden Bergen Bulgariens, daß beide Vorgänge ein heißer Draht verbindet. Der Botschafter wurde nicht entführt, und mit dem Goldschiff versank etwas, wovon die Welt keine Ahnung hat. Jeder blufft jeden. - Doch was mit Bluff beginnt, kann nur in einer Ost-West-Krise enden.
