

Brother (Aberrant) (Volume 2)

Brother is book 2 in the Aberrant series. With Jack by her side, Delilah is ready for anything. Or so she thought. What more could the Painfully Perfects do to her, they have already tried killing her and yet she returned. Will they try again, or try another target? But Delilah and Jack have more to worry about than just the Painfully Perfects. When a stranger turns up that could expose Jack for who he is, they have far more to worry about than the school bullies.
