

Taken by Storm (Give & Take Book 2)

TAKEN BY STORM is a passionate love story that grips you by the heart from the first page and doesn't let go. MJ and Maddie's love is soul-deep. Maine has written a masterpiece! -- Kristen Proby, Bestselling Author of the With Me in Seattle series. This book hooked me from the very beginning and glued me to every page. MJ stole my heart and quickly became one of my new favorite leading men. Loved it. -- Michelle Valentine, New York Times Bestselling Author of *Rock the Heart* DECEPTION Maddie Simcoe knows the devastation that comes from keeping secrets. Now, she's desperate to move on from the heartbreak that almost destroyed her -- trading wild passion that once made her knees weak for a life of comfortable stability. But before Maddie can start over, she must return home to put the past behind her once and for all... PASSION When Maddie blows back into MJ Rochas' life, nothing will stop him from proving to her that walking away from him was the biggest mistake of her life -- not even the engagement ring she wears. Her every look, every touch tells MJ that the fire that once raged between them still burns hot, and MJ won't give up until Maddie gives in to the inferno. REDEMPTION Trapped by a hurricane roaring through Turtle Tear Island, MJ and Maddie find shelter in each other's arms. While the lightning flashes, MJ and Maddie are helpless to fight bonds of desire that tie them together. But just as they're about to surrender to the torturous longing that consumes them both, the storm unleashes violent secrets from MJ's past... secrets that could wash away all MJ and Maddie's hopes of forever...
