

Quiet Desperation

Imagine for a moment you're Marcus Cooper. A slick stranger meets you in a bar. You're drunk. You talk a lot. Without realizing it he's learning about you. Your desire for money and women. By night's end he makes you a million-dollar proposition to cause a drunk-driving accident. Sounds crazy to you? Maybe, maybe not. You're out of work. Bills are piling up. You owe your bookie six grand. But mostly you're twenty years removed from being the high-school football star you once were, doubting how much longer life is worth living. Do you take the chance? Alfred C. Martino is the author of three highly acclaimed novels, *Perfect By Girls*, *Over The End Line*, and *Pinned*. Mr. Martino was born and raised in Short Hills, New Jersey, and graduated from Millburn High School. He is a graduate of Duke University and The Marshall School of Business at the University of Southern California. He lives in Jersey City. Patrick Girard Lawlor is a classically trained actor who has performed onstage throughout the world. He is a veteran of the voice-over industry, having narrated hundreds of audiobooks.
