

Sweet Nothing: Stories

Set on the dark side of Los Angeles, the masterful new collection from an award-winning and highly praised natural-born storyteller (Ron Rash). In these gripping and intense stories, Richard Lange returns to the form that first landed him on the literary map. These are edge-of-your-seat tales: A prison guard must protect an inmate being tried for heinous crimes. A father and son set out to rescue a young couple trapped during a wildfire. An ex-con trying to make good as a security guard stumbles onto a burglary plot. A young father must submit to blackmail to protect the fragile life he has built. **SWEET NOTHING** is an unforgettable collection that shows once again why T.C. Boyle wrote, Langes stories combine the truth-telling and immediacy of Raymond Carver with the casual hip of Denis Johnson. There is a potent artistic sensibility at work here (on *Dead Boys*).
