

Trouble On The Hood

Corporal Sean Brady just wants to meet a girl and maybe buy a new truck. But nothing is simple in the sultry back streets of Southwest Florida. When a bale of marijuana goes missing from a drug traffickers shipment, the local police are thrust into a deadly mix of greed and weed.

A trop-rocking troubadour, a third-generation fisherman and a band of cowboys are caught up in the chaos. When the case hits too close to home, Sean teams with detectives Dan and Roni Logan to stop the crime wave before it drowns them all. From the author of *THE CONCIERGE* and *THE DAUGHTERS* comes the latest in this series uncovering the dark side of the sunshine state. Fans of Carl Hiaasen and Randy Wayne White will enjoy this procedural thriller.
