

Baby Countdown: BBW & Bad Boy Billionaire (2 Steamy Novellas)

Two edgy BBW & Bad Boy Billionaire pregnancy romances by Viv Phoenix. This hot, gritty series is set in San Francisco and features intense combustion between hunky psychic crime fighters and curvy psychic detectives! Told from both points of view, these standalone novellas take you inside the passionate first love of a defended and dangerous alpha male when he becomes obsessed with a feisty curvy girl! THUG Two outsiders with potentially deadly chemistry and a deadline for pregnancy! A dangerous bad boy with expensive secrets and an urgent need to become a father. A curvy, loner private eye with a secret of her own. A shared past loaded as an assassins gun and time running out. Ariel Finding Cole was more than a job. This case meant survival. But I wasn't prepared for how seeing him again would make me feel. How could I get a man that big and deadly to cooperate? Cole I'd left everything in the past and found one thing I was good at, the dangerous secret thing that mattered to me more than anything. Ariel knocked my world sideways. As soon as I saw her again, I knew I'd do anything to take her no matter how hard she tried to keep me out. AVENGER A fierce, curvy woman who needs an avenger, an avenger who needs a woman and has to make a baby ASAP. Can a billionaire crime fighter help her heal the secrets of her past? An ample blond woman stalked toward me with hell in her eyes, her face the mask of a controlled killer. I found you again, she said, soft and low, for my ears only. A business suit hugged her curves and a wrap blouse displayed her cleavage. She smelled like jasmine. My senses wavered at the force of her emotions, like when I was a new psi. Note: Rated Mature 18+ for sexual content, language, mature themes, and brief violence. High heat rating. Contents may be triggering for some readers.
